

# Kicker grades

Version 1.1.0. Generated by `build/render_reports.py` from `data/kickers.json`. Method: white paper, section 4.

Replacement level (outside top 32 by attempts in the season): 113 kicker-seasons, 819 kicks, 76.4% made against 85.5% expected; 61% from 50 yd against 77% for an average kicker. Sensitivity rule (short careers inside the data): 74.8% made, 56% from 50 yd.

Grades: kickers active in 2025 with at least 30 career attempts, ranked by points above replacement per 100 kicks.
